## **NOT** your warehouse

80% of all forklift related accidents occur at the dock, 40% of these result in a **serious injury, or even death.**

## **It's the LAW**

Operators must be certified **every 3 years.** Make sure to keep your workers productive and avoid OSHA fines. We can help!

**WE CERTIFY FOR ALL MAKES MODELS**

Go to [tri-liftnj.com/training](http://tri-liftnj.com/training) to setup a Driver Training Course today...

**Download your checklist to avoid OSHA fines at [tri-liftnj.com/safety](http://tri-liftnj.com/safety)**

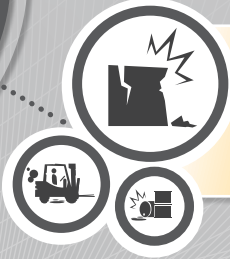

## Why should you train your operators?

### PROTECT YOUR PEOPLE!

Significantly reduce the risk of personal injury and lawsuits.

### PROTECT YOUR PRODUCT!

Reduce damage to products, equipment and structural elements.

### PROTECT YOUR PROFITS!

OSHA fines can hurt your bottom line. Whether your operators operate a lift truck once a day or once a year, they **MUST** be certified.

Classes start at **\$149** per operator

**10\$+**

**BOOK 10 OR MORE DRIVERS  
SAVE OVER \$500!**
